

## Ladner Lawn Bowling Club

# Code of Conduct

At LLBC we value all members of the Club as individual people, welcoming their variety of life experiences and perspectives.

We live in a society that embraces diversity and inclusion which is enshrined in Canada's Human Rights Code, where all are equal in dignity and rights. The BC Universal Code of Conduct for the sport sector advances accessible, inclusive and respectful behaviour within BC sports and is followed by Bowls BC. We require that all LLBC members honour and respect all bowlers and refrain from any conduct that is contrary to either Codes.

At our Club, there is no circumstance that justifies unkind comments or behaviour. We want to promote a climate of understanding and mutual respect so that we have a welcoming and safe sport experience for all our members.
